

Well i for one am against the attempt by the broadcasters trying to censor XM. I don't think they have any right to try a dictate what XM puts up on the air as long as it's legal and not fattening. I pay for a service. And expect as much for my dallor as possible. As a truck driver it has been a god send. for us outhere on the Road. and it would be a shame if the broadcasters. get there way and censor. XM Leave my Xm alone. They do an awesome service. and hope to continue Being not only Asubscriber to XM but also Big fan.
